Dear Madam/sir

I filled out my exam form and paid the exam fees on 5th May. I have not received the exam link yet. I was told by the person on call that my email address was incorrect in your system. I sent mail for changing email address and payment status updation, for which I got a reply that it is now updated in your system. However, I have not received the exam link yet.

I have my eye surgery planned for this Friday, 12th May. I MUST finish my exam before Tuesday. I have already postponed it three times due to this email and the exam issue which is not even my fault. It is affecting my professional life. Kindly understand the urgency of my request. Kindly do the needful. Thank you.
