

How to join Live LABs Session

Select the Subject Container

The dashboard features a left-hand navigation menu with the following items: Dashboard (highlighted), Announcements (with a red notification badge), My Courses, Calendar, Exams, Certificates, Profile, Settings, and Help.

The main content area is divided into three sections:

- Continue Learning:** Displays two course cards. The first card is for "PGDM-Logistics & Supply chain..." with a progress bar at 91%. The second card is for "PGDM-Sem 1" with a progress bar at 77%. Both cards show a date range of "15 May 21 - 31 Dec 24". A "SEE MY COURSES" link is located below these cards.
- Today's Classes:** Shows "No Classes." with a refresh icon and a calendar icon.
- Class Updates:** Shows "No Updates."

Select the Subject

The screenshot displays the MIT SDE course interface. On the left sidebar, the course is identified as "PGDM-Logistics & Supply chain Management-Sem 3" for the "Batch - Co-PGDM-Logistics & Supply chain Management-SEM 3". A "Select Subject" dropdown menu is open, showing a list of subjects: "Emerging Trends in SCM and logistics" (selected), "Production, Planning and Control", "Packaging and Distribution Management", "Warehouse Management", and "Project Management". Below the dropdown, a progress bar shows "PPT" (0/1) and two completed assignments: "Assignment 1" and "Assignment 2", both marked as 1/1.

The main content area shows the "Lesson" page for "PPT". It includes a "Download" button and a "Complete & Continue" button. A message states: "File processing under progress. We will notify you via E-Mail once it is available for preview." Below this, there is a "Discussions (0)" section with a "Create New Post" button and a message: "No discussions found!" accompanied by an icon of a document with dollar signs.

Click on The Class Record Tab and join the live session on the scheduled date.

The screenshot displays the MITSD E interface for the course "PGDM-Logistics & Supply chain Management-Sem 3". The "Class Records" tab is active, showing a table of class sessions. The selected subject is "Emerging Trends in SCM and logistics" and the date criteria is "This Month".
